

UniFit

The Oxford® UniFit is an easy to fit, general-purpose sling with divided leg sections, suitable for the vast majority of patients. Padded leg sections as standard provide excellent comfort and support for the client.

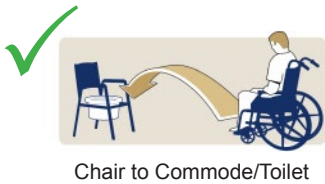

- ✓ Available in polyester or net material options as standard
- ✓ Twin leg strap attachment points may offer increased comfort
- ✓ Positioning handles allow easy patient repositioning
- ✓ Colour coded binding indicates sling size
- ✓ Coloured attachment loops promote correct/safe positioning
- ✓ Modesty loop helps protect patient dignity during transfer
- ✓ Can be customised to fulfil patient specific needs
