

Toileting Low

The Oxford® Toileting Low sling is designed specifically to facilitate the toileting process, offering good access to clothing. Made from durable, heavy-duty polyester, it incorporates a removable, elasticated waist belt for added support and security. It is not a general purpose sling and will only suit around 25% of clients.

- ✓ 'Arms in' design alleviates under-arm and shoulder pressure
- ✓ Removable 'bones' to the back section offer added support
- ✓ Adjustable, elasticated body belt for added support and security
- ✓ Padded leg sections for additional comfort
- ✓ Discreet colour coded tab on top section to denote size
- ✓ Coloured attachment loops promote correct/safe positioning
- ✓ Can be customised to fulfil patient specific needs
